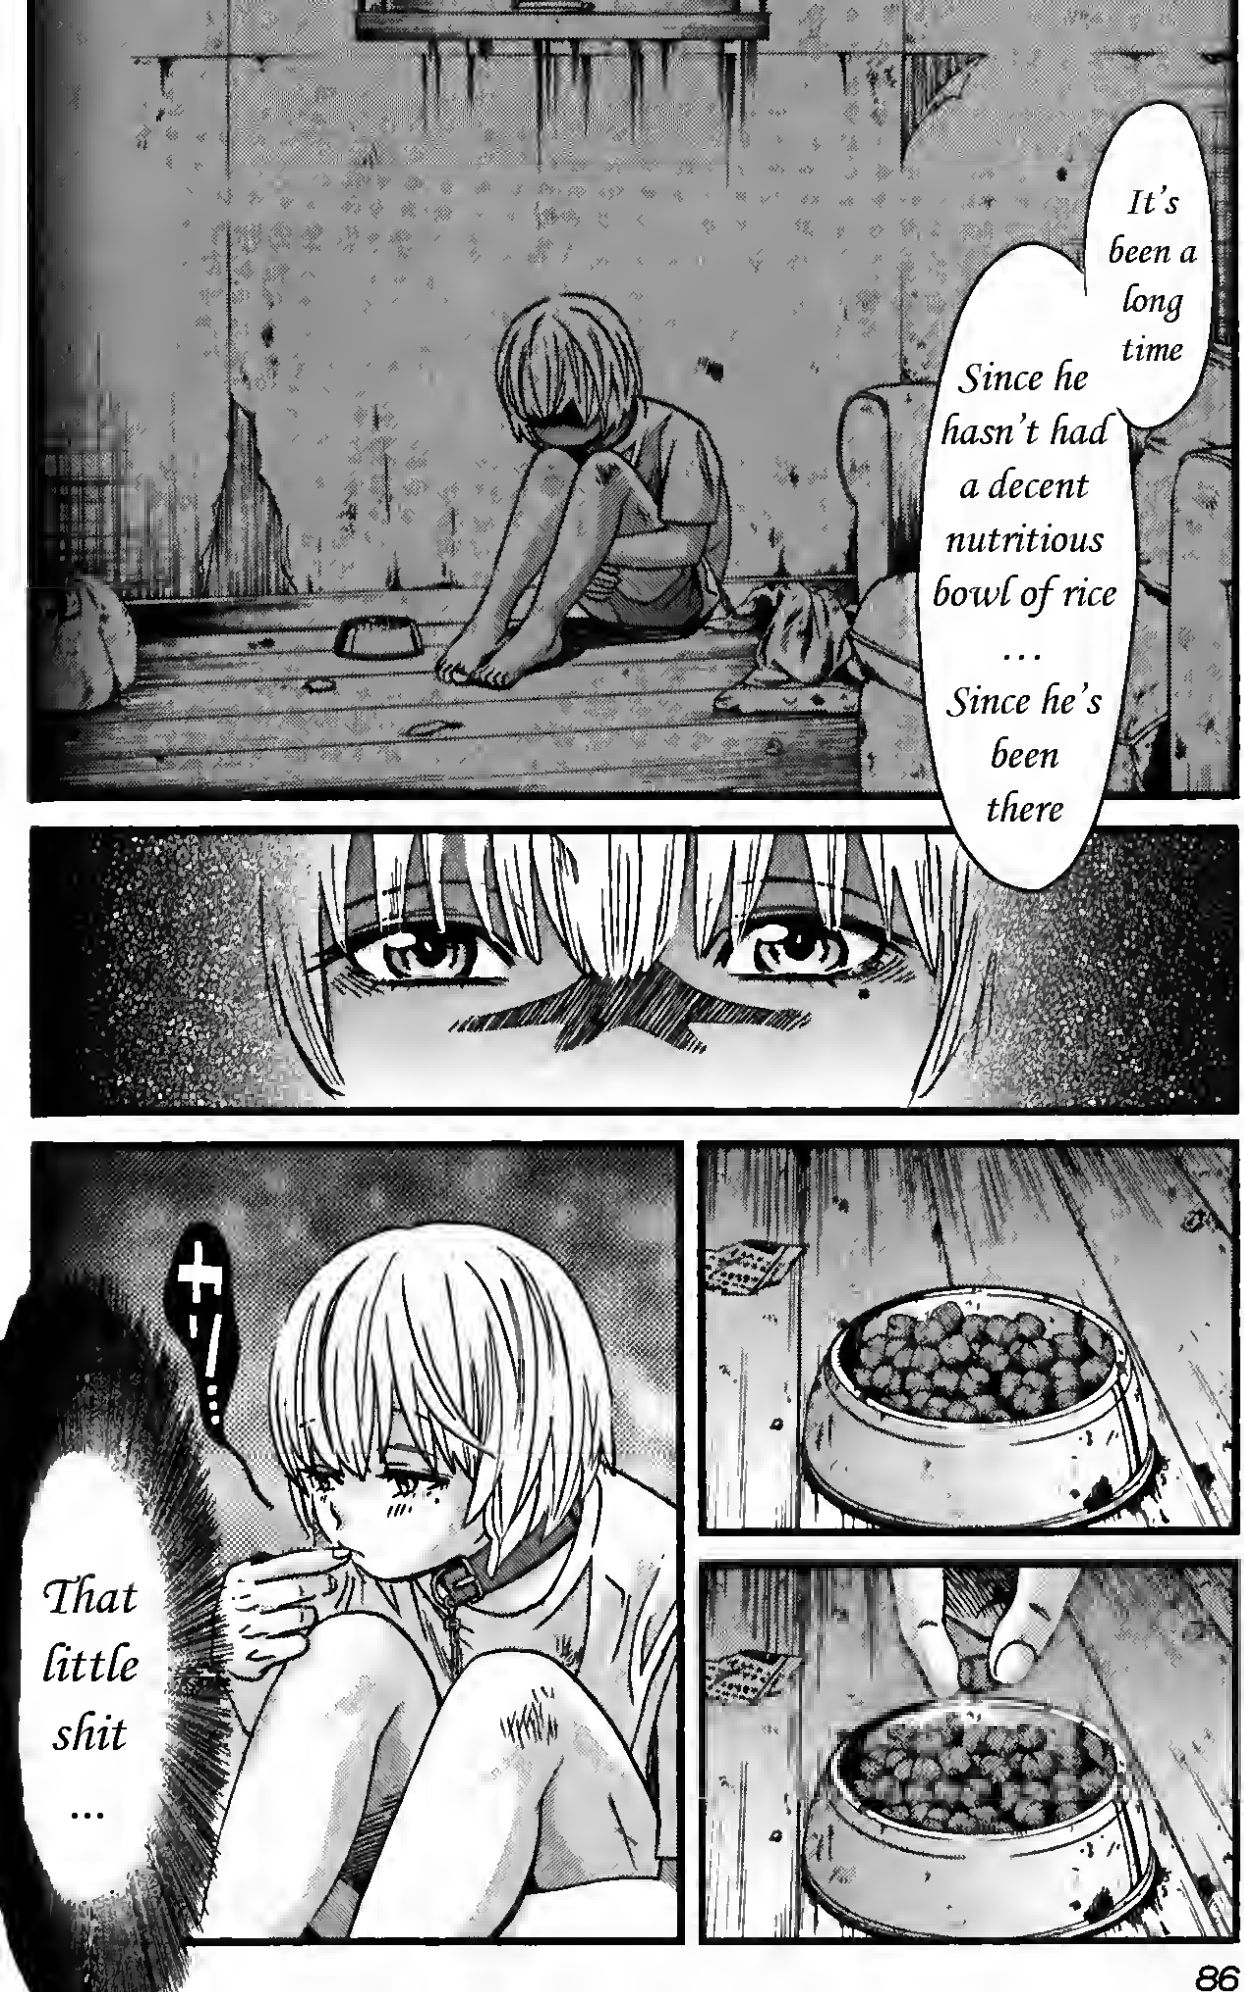
I'm really worried about him because South America isn't a very safe place at the moment
I see
Itsui Yukina (18)
... He may return as soon as next week
Itsui Megumi (37)

Note: I have troube with japanese names since well I don't live in japan and not accustom to it by I think their family name "Itsui" is wrong. You can read it multiple ways since the kanji for 5 "Go" is in there and can change the family name to "Goi" instead.

Yes
Yukina don't be so ignorant about … Human's …
Even People are subjected to fate unceremo-niously
カチャ
カチャ
カチャ
By the way mother
What is it?



It's been a long time
Since he hasn't had a decent nutritious bowl of rice ...
Since he's been there
That little shit ...

Aah… What a disgrace you are …
It's the same as that wretched woman's
What's with your eyes
We send you to a good school just because you're a child of that mistress
And this is the score you bring back to us…
Hey!
Take your punish-ment!
Come over here now!
Stop it … Mother In-law …
Stop
No

I'm sorry
I'm sorry
I'm sorry
Demons

These people aren't human at all
There demons
Yo-shito ...

It seems that you were scolded by mama
You …
Hey come quickly, what's wrong?
Lick me like you always do

Ha ... Nmm ...
Nm
Yes more ... With the tip of your tongue ... Roll it around
Ah ...
Ha
You under-stand right?

Ah
This is the least you can do to show some gratitude for being able to live in a house like this ...
You are my little pet
Ah
More... Suck on it! Suck on it!!
Ahh
I didn't want to be in a place like this
This Asylum

Was he cursed by some field god or some-thing?
Ah ... ah ah
He's seems to be in a really bad mood
Has he been like that since this morning ?
Manager

I think it is wise just to leave him alone for a little while ...
Some how
I hate him any-ways
Ask him
Did the Pv not go too well?
How can he have such a sour face in front of Mother Nature ...

Note PV is commonly used in Japan as Promotional Video's much like how America calls it Music Videos

He looks troubled since coming to Nasu Town, not even a word from him yet
Shit
Out of all the fucking places my chest is killing me
栃木県
Tochigi Pref.
那須町
Town

WOOO !!!
Look, isn't this mansion awesome ?
It's just like Bever-ley Hills!
I wonder what kind of rich people lives up in here?
There it is, there it is man
Eh ? What ?

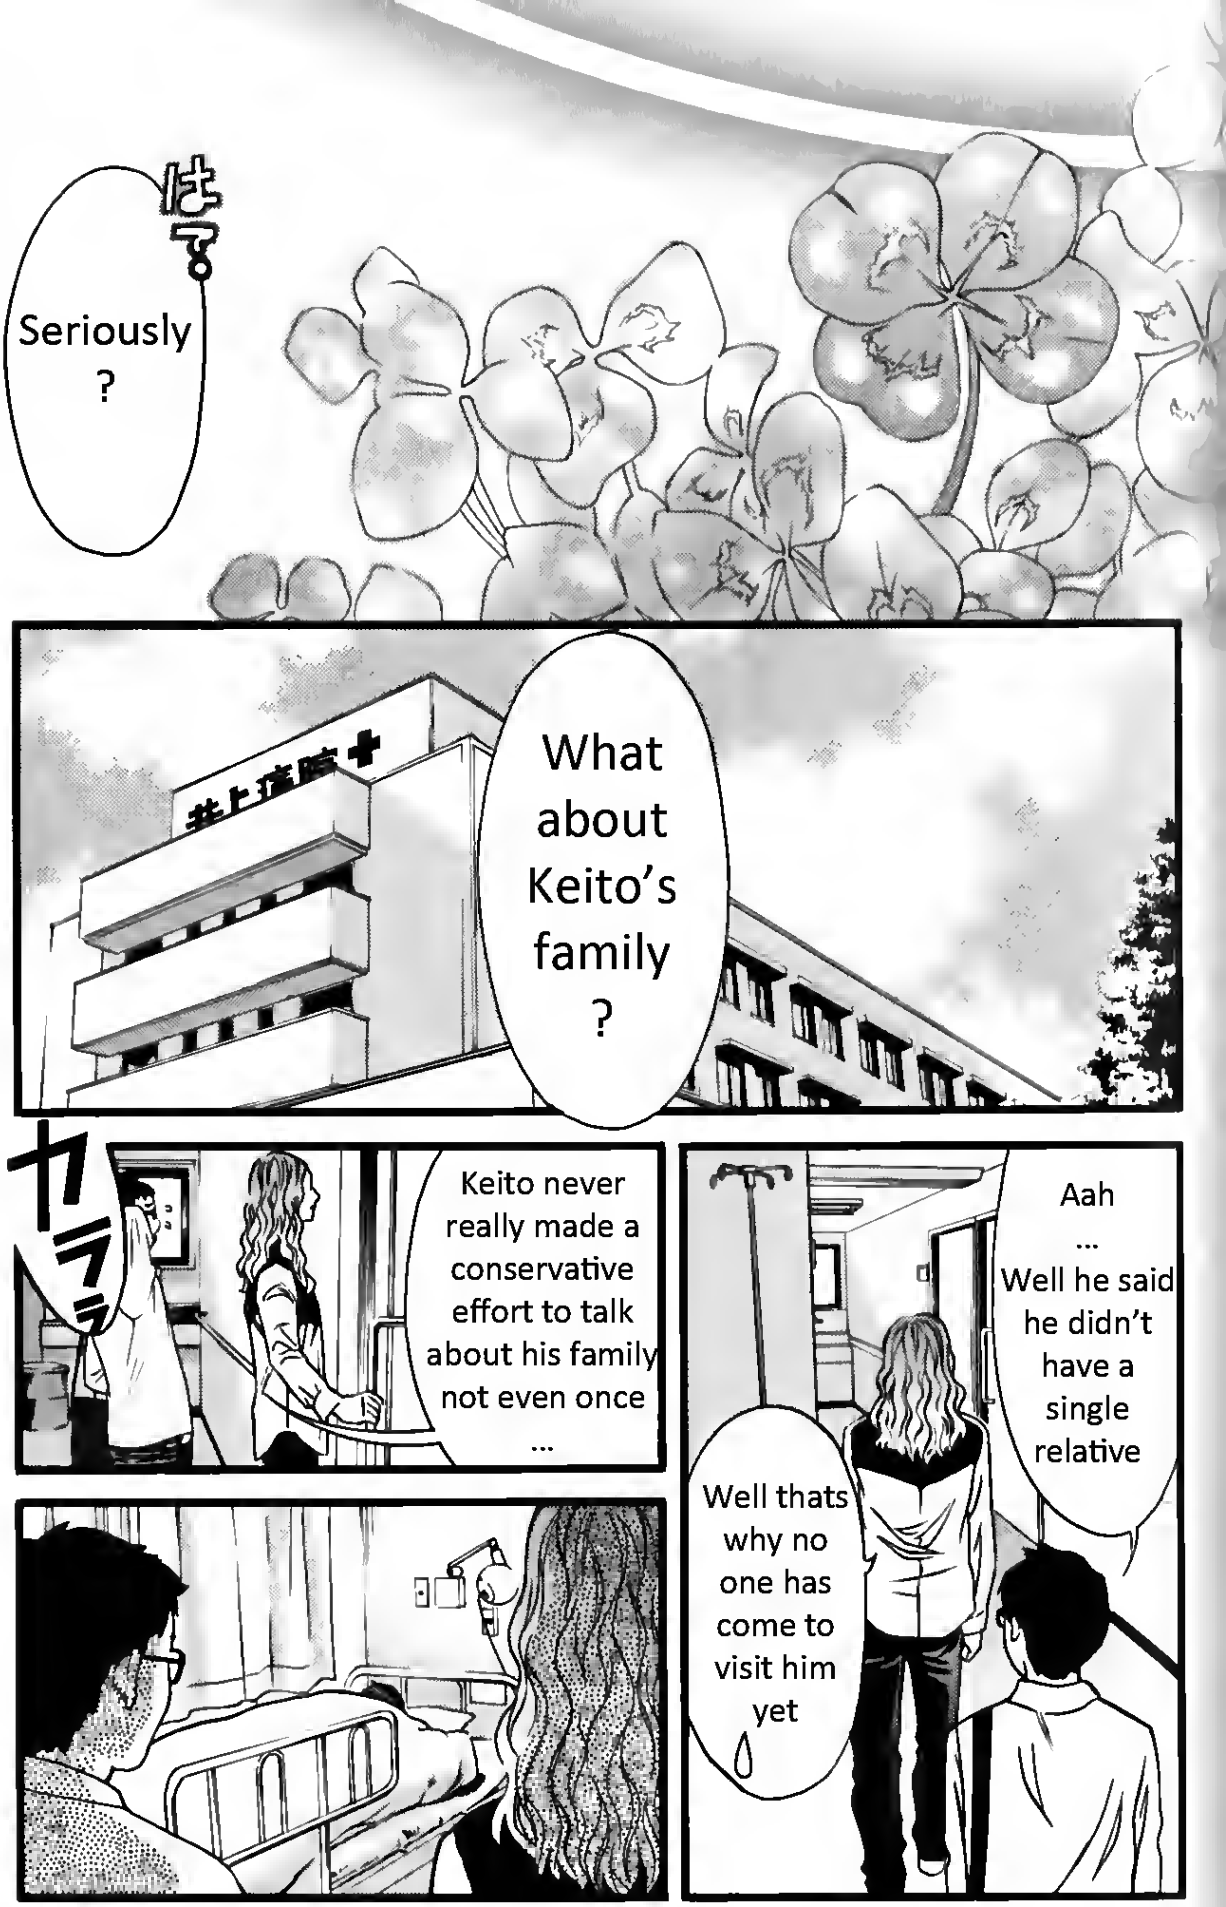
Stop Talking
Shut the fuck up
It's no use
It's all coming back ...

Ho Ho Ho Ho ...
Welcome home Yoshito
You're still alive and well
Dog!
You're my doggy !!!
Whatever master says is absolute

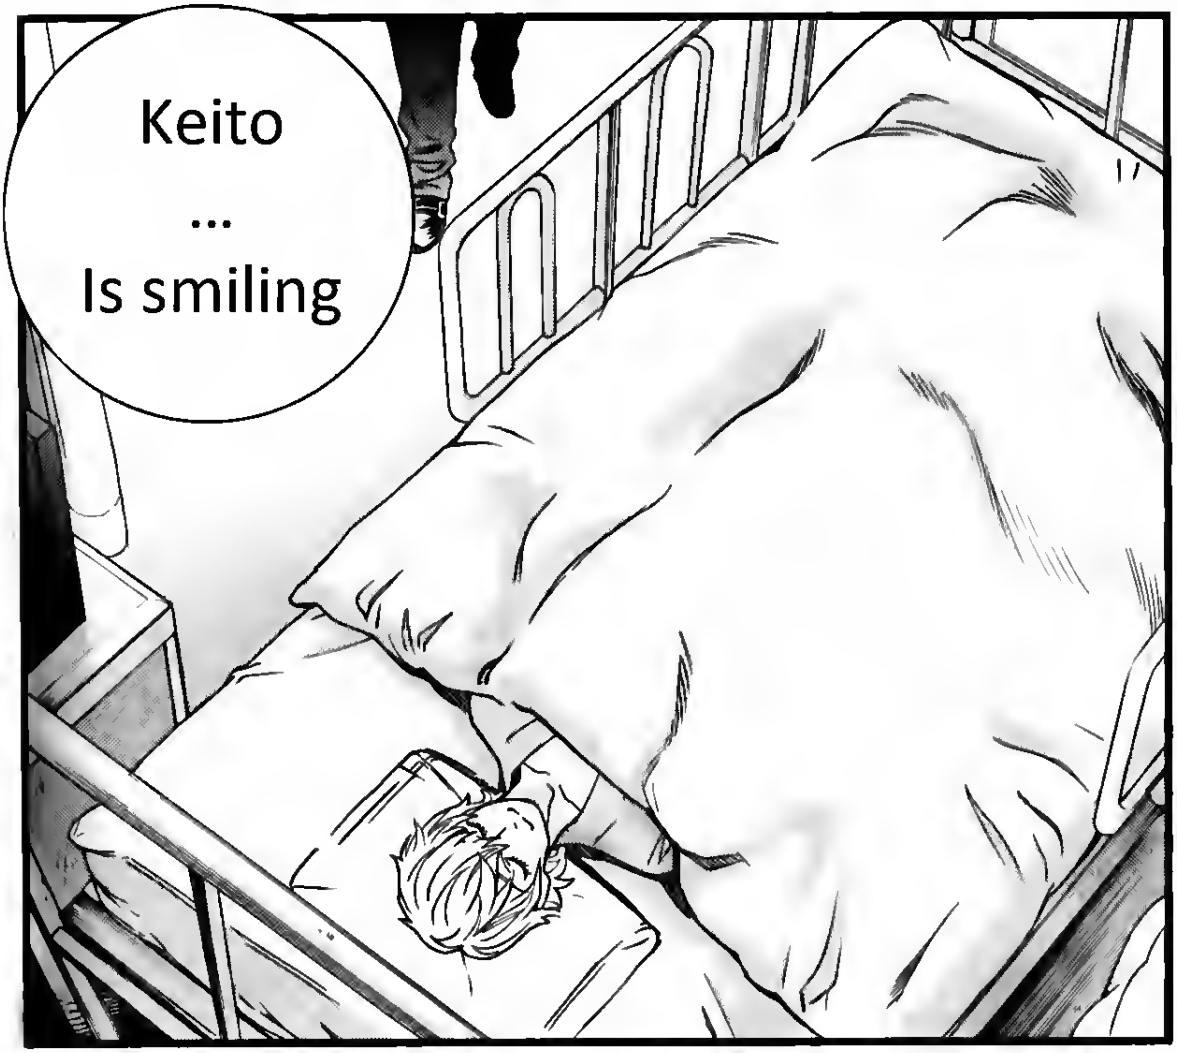
It's sickening… I'm going to crush it
So you won't be able to claim any property and won't have a penny to your name
Everything would have been better if you weren't here!
For a boy to have such a pretty face like that wretched woman…
Yoo
Stop the car!!!
No way … Save me mama
Keito ?
Hey
Get a hold of yourself
Are you alright ?
I would've been killed by these people if I had stayed

That's right
That day, it was your small hand which had rescued me from that living hell



はぁ
Seriously ?
What about Keito's family ?
カラ
Keito never really made a conservative effort to talk about his family not even once ...
Aah ... Well he said he didn't have a single relative
Well thats why no one has come to visit him yet

Whoa!



Keito
...
